

## AOP COMPACT OZONE & UV-C LP

| Item No. | Type  | Part |
|----------|---|------|
| XH08752  | AOP Compact Ozone + UV-C                      |      |
| 4800033  | Ozone bulb Low/High pressure 75 Watt          | A    |
| QG025    | Quartz sleeve 886 x 31 mm 75 Watt             | C    |
| 3902106  | O-ring for quartz sleeve Jumbo UV-C           | B    |
| EPOL001  | Electrics Ozone Redox Turbo3 low UV-C 75 Watt | G    |
| 4800027  | Housing for Ozone Redox                       | H    |
| E800940  | 3-Way connection 63 mm black                  | D    |
| E800941  | O-ring for 3-way connection 63 mm             | F    |
| F990115  | Reduction piece 1,5" wire x 63 out 50 in      | E    |
| 3902046  | Sealing Ring 1½"                              | V    |
| E801128  | Universal adaptor 1½" 40 x 32 x 25 mm clear   | U    |
| 4800116  | Handgrip complete for Ozone                   | J    |
| 4800076  | End cap for Ozone with 1 air plug             | P    |
| 3901045  | Nut 70 mm x 33.5 mm for Ozone BLACK           | S    |
| 3902095  | O-ring Viton 60 x 3 mm Viton R                | T    |
| 4800015  | Check valve Viton (Ozone resistant)           | K    |
| 4800020  | Hose 8 mm black for Ozone UV-C                | L    |
| 4800005  | Air plug rectangular for Ozone UV-C           | O    |
| 4800084  | End cap for Ozone with 2 air plugs            | Q    |
| 4800023  | Static mixer for Ozone low pressure           | I    |
| 4800006  | Y-screw connection 8x1/4"                     | M    |
| 6900529  | Air-Pump for Ozone low pressure               | N    |
| F990107  | End cap black                                 | R    |
